

COVID-19 SUPPORT

ENABLING AFSOR COMMUNITY TO EMERGE FROM COVID-19 PANDEMIC

At African French Speaking Organisation, we have a social responsibility to keep delivering the services and skills for life training in the interest of BAME community

COVID-19 DCMS/LONDON

Our organisation received a grant from Covid-19 DCMS/London Community Response Fund/ Coronavirus Appeal. The funding is about preventing difficulties arising from Covid-19 in hope to enable its service users and skills for life trainees to emerge from Covid-19 crisis.

Over the next 24 weeks, AFSOR will be running the following activities either via Microsoft Teams Meeting; Google Teams Meeting; WhatsApp; Telephone; or Face to-face in the classroom in line with the government rules to respect sanitary measures.

> **Information, Advice and Guidance**

> **Platform to talk to someone about any challenge or issue you may be facing**
